QR Code Link to This Post I'm a concert promoter putting on a 21+ hip hop/rap show at Elbo Room in Chicago on December 29th and I'm looking to add a couple more acts to the bill.

I'm looking for original acts who are from the greater Chicagoland area (or any place within an hour or so as long as you have folks who would be able to come out to the show and see you). Genres I'm open to are rap, hip hop, R&B, DJ sets, etc.Â

This is a paid gig and pay is determined by draw so I'm definitely also looking for bands and artists that have a good amount of friends/fans that they can bring out to the show.

If you are interested and meet the above criteria, please email me with a link to your music as well as link to where I can see your online presence such as Facebook.

This will be a later show, starting at around 11pm.

This will be a 21 and up show for guests, band members under 21 are allowed.

Please note that I am only looking to fill this specific date. Do not contact me for future dates at this.
