QR Code Link to This Post I'm selling some new unopened bags of fiberglass insulation that are in the warehouse (Certainteed brand). The insulation we have for walls, floor and attic are R-13/19/30/38 etc. We can sell what we have for around 20-26% below Home Depot/Lowes prices.

Let me know which type you are looking for and how many sq.ft. and I'll get a price over to you. Our warehouse is in Meridian and we deliver for \$45 most areas in the valley. Text if you need help. Thanks
