QR Code Link to This Post I'm a local photojournalist looking to work with a few men and women who have interesting fetishes, anything from foot fetishes to crazy and bizarre such as voyeur or sexual fetishes.

I would like to do a docudrama style interview and photo shoot showcasing you. The shoot and interview can be anonymous meaning I retract your name and shoot you from neck down.

If you're interested please send me an email with a quick introduction and a little about your fetish.

Participants will receive \$150 at the time of the.
