I am the guitarist/vocalist of local band Remember Slave. We are looking to book as many shows as we can prior to recording our EP early next year. We have played at such venues as the Hard Rock Cafe in Boston, and Geno's Hard Rock club in Portland. We also have a show coming up at Empire in Portland next month. The music we play is our own; I would call it "progressive", but it's all open to interpretation. We will play anywhere, for any amount of money or no money. Our current lineup has two guitarists (One using a synth pedal), a bassist/vocalist, and a drummer.

(These are demos, and unfortunately only have one of our two guitarists on)
