I am the ultimate fitness professional in that I possess the knowledge, skills and abilities for safe and effective exercise and fitness program design, instruction and assistance for the sole purpose of reaching your personal health and fitness goals.

I am Passionate about getting you over the hump, purposeful, caring and dedicated to coaching

among other things, you'll benefit from my:

- -Knowledge of human anatomy and the concepts of functional exercise, basic nutrition and basic exercise science
- -Ability to design individual and group exercise programs tailored to the needs and attainable goals of your specific goals
- -Ability to conduct and understand the need and importance of screening and client assessment, initially and progressively
- -Ability to execute individual fitness program design in a safe and effective way
- -Desire to help you reach your health and fitness goals through appropriate cardiovascular, flexibility and resistance exercise
- -Ability to motivate you to improve your overall fitness and health
- -Dedication to maintaining personal integrity and my own health and fitness

I deliver safe, effective, fun and interesting workouts (in that order) to all fitness-training clients. The training programs I develop are varied and progressive, and geared toward improving your health and wellness. As a trainer, I am enthusiastic and supportive, and I'll keep you interested and stimulated, which helps ensure you stick with the program -- and with me. â—ldo NOT contact me with unsolicited services or
