QR Code Link to This Post Hello my name is Scott Gray, I am a REALTOR with RE/MAX Capital City in Boise. I would like to introduce myself and offer my services to assist you in buying or selling a home in the Boise area. I hold both GRI and ABR designations and am a REALTOR.

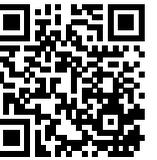

I have lived in Boise's North End, East, and SE Boise since childhood. I believe our area is an excellent place to live. I would be happy to show you around Boise and get you acquainted with our great city. I have 15 years of experience Selling Real Estate, all with RE/MAX . My experience includes closing over 400 properties including single family homes, vacation homes, building lots, view homes, acreage, commercial, multi family, development land and apartments. My goal is to provide an outstanding experience for each client I work with. I can arrange property showings for you to see any property you are interested in.

Feel free to let me know your general criteria and I can set up my local MLS (Multiple Listing Service) to automatically email you homes that match. Also I will run a current list of available homes in your search areas and email or deliver the list to you.

There are many steps to completing the sale of any property. I am here to help guide you through the process and help you make informed decisions. If you have any questions or would like to discuss your next move, feel free to contact me anytime.

Thank you,

Scott Gray, GRI, ABR, REALTOR
