QR Code Link to This Post Is your pet too scared to go to the vet or groomer's to get their nails trimmed? Are you having trouble getting your cat or bird into a carrier or your dog into the car?

I'm offering in home nail trimmings for dogs, cats, birds, small animals and reptiles. I can offer nail clipping, nail dremmeling, wing trimming and beak trimming/dremmeling. I can also do beak trims for turtles. Dog anal gland expression available as well. (I'm not a dog haircutting groomer!)

I have over 18 years hands on experience with many species of animals. Chihuahuas to Mastiffs, Finches to Macaws, Mice to Rabbits (wildlife rehabbing as well), Iguanas to Alligators and everything in between. Fearful or aggressive animals are no problem! I will bring my own supplies and handlers if needed.

Prices are depending on what services you need and where you are located (I will travel just about anywhere!). Please call, text or email to set an appointment, Marissa . Please include what type of pet(s) you have, services you will need and your zip code. Quotes will include a gas surcharge. Thanks, look forward to hearing from you! :) REFERENCES UPON REQUEST!

Also offering in-home pet sitting (in your home or boarding in my home - call for details). Specializing in Avian and Exotic animal care and pets with behavioral issues.
