QR Code Link to This Post Two-year-old husky/great Dane mix, 92 pounds. He leash trained, housebroken and is good with adults and children. Has food, leash, harness, and treats. Does not like many dogs or doesn't like cats, otherwise is well behaved and a great companion.

Up today shots, and maintenance!

We are trying to rehome because he just isn't the right fit for our family. We are just asking for the \$95 we put in for the.
