QR Code Link to This Post Hi my name is Chip. I am sick and tired of being underbid by contractors who don't know what they are doing. You give them the job and they screw it up. All you get is a headache and it ends up costing you more money. I started in this business when I was 19, I am 59. There isn't to much I haven't seen. I take pride in what I do! You only pay the quoted price. Job will be done right and you will be HAPPY!! HAPPY!! HAPPY!! I guarantee it. Kitchens, Baths, Decks, Additions, Garages, Windows, Doors, Roofing, Siding, We do it all. From start to finish. Give me a call .
