The position is an internet based position and we are in search of more Secret 'shoppers' in this county!

The requirements for this job include: access to a desktop, laptop computer or mobile device and an internet connection. This part/time position offers the chance for each worker to make his/her own hours and work with very little, if any time constraint. We encourage each of our workers to try out various websites, Temporary services and trials, and products at no charge to them. Because of this, the bulk of our analyzers are working part/time and are putting themselves in a position to make an added source of pay without taking all day stuck in front of their PC's.
