QR Code Link to This Post My friend is homeless, he's had a rough life and is bettering himself but keeps getting hit with obstacles... he's working but has no where to stay, he spent the money he did have on hotels to have a roof over his head at night to keep warm and get some sleep. If Anyone can see it in their heart to help a guy get on his feet and out of the cold please message me... (he's out in the cold as I'm writing)
