  QR Code Link to This Post Nice 1st generation camaro in very very nice shape. Body is clean with no rust. Complete car needs nothing. Turn Key and go. Car has matching numbers 327 motor with 2 speed powerglide transmission. Lots of documents to show life of this 50 year old classic. Texas 1970 sticker on glass. All original glass

 Interior is very clean! No rips, clean Carpet and excellent headliner! Deluxe interior minus houndstooth
 Horse shoe shifter on this automatic!

 Under this car is very clean and rust free. New exhaust. It's riding on generation correct SS cragars with good tread on the tires. 10 Bolt rear end. Ride nice and smooth. Stopping is good too. Still original drum brakes makes this a original art piece . Not many bone stock like this car is. Ex.. 2 barrel carberator ! Also air conditioning! Yes A/C! The value is here and under priced in my eyes. I'm pretty firm at $24,500.00 serious buyers welcome to come take a look. Maybe willing to trade.
 Paint is not 100 percent. Good wet sand and buff would finish car. Gorgeous still the way it is but not up to my standard yet. Its got a really beautiful blue metallic on black. Outstanding! Cars just nice and clean but most of all original.
