QR Code Link to This Post Selling a used pair of Salomon Evolution Performa 4.0 downhill ski boots. Size showing on them is 340/27 which I think is close to a women's 11 and men's 10. They are in good condition and haven't been used in a number of years. We are doing year-end cleaning and getting rid of the boots since they will no longer be used by anyone in our family.

We also have a couple of other pairs of ski boots posted as well.
