2001 Pontiac bonneville 270,000 runs and drives great tons of new parts oil changed every 3k on time same with the transmission would never know it has 270k
transmission was replaced at some point not sure on miles has remote start power locks only problem is passenger window don't roll down have receipts for everything
since the car was new recent new parts include
New brakes front and rear

Right tie rod and alignment

that's just what I've been doing here have been doing more than just receipts in everything most of the parts are under warranty too
