This is Ely Walker. Once home to the Ely Walker Dry Goods company, this amazing building is now called home by many downtown residents. The unit sports 1 BR and 1 BA and comes with a bonus room typically used as an office. With aged wood floors the unit says rustic, industrial loft. The kitchen offers granite counter tops and stainless appliances. The large windows bathe the unit in natural light with views to the northwest and southwest. The loft feels much bigger than 1027 square feet. Also included are washer/dryer, and assigned storage locker in the underground garage. One parking space in the Terra Cotta garage behind Ely Walker. The rooftop terrace area is so inviting throughout the year with grills and sunbathing area. The community can be reserved for parties and functions. Need a workout before or after work? The fitness center is one of the best downtown. No need to pay for a gym membership. Ely Walker is ideally located for convenience! ***And don't forget to check out our HSG Realty App for the iPhone and iPad by scanning the QR code at the end of the pictures.
