This beautiful female tortie sphynx was born on Labor Day 2017 and is available NOW!! She has blue eyes that occasionally appear green. She is cuddly, playful, and friendly. She loves humans and other cats. She does not get along with dogs and would not pair well with a big dog. She would possibly get used to a small dog, but has shown no interest in dogs so far. She was raised with babies and toddlers, so she is a perfect animal to grow with your child or to keep you and your spouse company. She is looking for her forever home â••• Text me with SERIOUS INQUIRIES.
