QR Code Link to This Post I am a 36-year old stay-at-home mom with two daughters, an almost 3 year old and an almost 3 month old. I am looking to provide childcare in my home for one preschool aged (or older) child. I have a Bachelors Degree and 10+ years of professional work experience, but have been at home with my oldest daughter since she was 9 months old.

We live in a bright and clean home with a large fenced-in yard, and a nice hill for sledding this winter. We spend a lot of time outdoors, and have plenty of fun age-appropriate toys, books, craft supplies, and games. Independent and imaginative play is encouraged. We have a large 5-year-old male golden retriever who is part of the family and spends his time wherever we are. There are separate rooms for quiet and/or nap times, and lunches / snacks could be provided if that's something that would make your life easier.

Please reply to this posting to discuss your needs, and we can see if this would be a good fit for your family. I hope to hear from!
