Located on 1.25 acres with a barn, surrounded by stone walls that back up to woods with a great little hiking trail. The house has a beautiful sun porch with Southern exposure for those plant lovers out there a deck and small garden. Many flowers and shrubs including a 100 year old lilac tree.

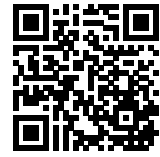

The house has 3-4 bedrooms, two baths, one with a claw foot tub.

I absolutely adore my home and the only reason that I am selling is because I opened a business 50 minutes away and it is too far to commute.

Many furnishings could be included. It does include a washer and dryer and wood stove along with the standard appliance.

If there is interest, there will be a Realtor involved to handle the paperwork.

Serious Inquiries only, Thank!
