QR Code Link to This Post Purebred Weimaraner Puppies. They are very healthy and have been raised around kids and are very well socialized. We are potty training them. They are up to date on shots and dewormed. They are 11 weeks old. Both parents are pretty big so they are big pups. Very spoiled and loved. They are ready for new home today. We want them to go to a forever loving and caring home. Only good people please. Weimaraner puppies with AKC registration purebred papers, 11 weeks old male and female up-to-date on vaccinations.

Purebred Weimaraner puppies , papers. Will have shots, worming and dewclaws done and come with a puppy package. There is 11 puppies available at this time, sables and Black with tan markings. Will be great family dogs!

Weimaraner puppies, male and female.

Rehoming fee/Serious.
