QR Code Link to This Post Beginner photographer just starting out and wanting to build up a portfolio. I am looking for a male model that is comfortable with doing a photo shoot that contains nude and erotic elements. A clothed portion will also be included.

Prefer to work with someone that is in the 18-30 age range, but I am willing to be open about it, depending on the model. Prior experience in modeling isn't needed, so feel free to apply; all are encouraged to do so.

If you are interested in doing a photo shoot like this, please state your age, height, and weight in your email response. If possible, please also attach a few photos of yourself for further.
