

Cow CubesCreep FeedCow Rations (160, USD)

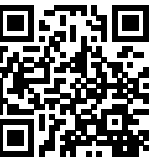

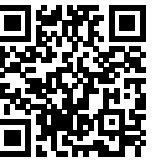

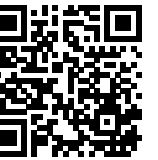

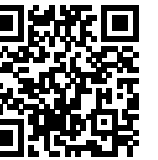

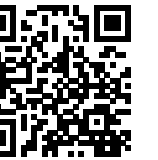

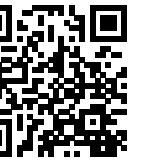

Location **Nebraska**
<https://www.genclassifieds.com/x-793670-z>

QR Code Link to This Post Our company has multiple products available for every phase of the beef/dairy production cycle. All products are Nebraska made and performance tested. We use a processed fiber base for our products giving them an overall higher digestibility than most products you will find on the market today. Furthermore, you will likely not find a product priced more competitively. Call for more details or visit the website at www.powerfeedpellets.com

- 20% Protein Power Cube (cake)
- 16% Protein Power Pellet (works great for weaning, creep, growing, or just maintenance)
- 10% Protein Forage Equivalent

Call with any questions, we do have bulk delivery available, tote bags, and have several dealers across the state including St. Paul Coop Grain Assn., Country Partners Coop, Evans Feed, and Farmers Coop
