QR Code Link to This Post For sale is my 1974 Dodge Dart Swinger. Car has 318 v8 with 78,000 miles. New American Racing Rims and Tires. Recently put new seals and gaskets in the motor, Has edlebrock intake and 600cfm carb. But, at the end of the day its a 318 so who cares right? Be an ideal car for a 360 or Big block swap. Has new dual exhaust. Car is what I would consider a clean, nice, driver quality. Not a show car but compared to what I have seen in some of the local shows that is only my opinion. Interior is in decent shape but the front seats could use being recovered, there are a few split seams but the foam is intact and in great shape. My pickup was recently wrecked (I was struck by someone with no insurance) so at this time I would consider complete or partial trades as well. No paypal. Any other questions please call or text 308-730-1001.
