QR Code Link to This Post I have a grey striped kitty for sale. She is so sweet and loves being pet. She would do better in a country life or she might like having a whole house to roam. If I could keep her I would. Sadly I'm allergic. I rescued her and her kitties a couple months ago. So she ISNT fixed. She was a stray outside. She has NO shots and has a clean bill of health from the vet. She isn't pregnant either. She might take a bit to warm up to you. She likes to play as well. The vet says she's around 2-4 years old at most. She would like to be outside I think but I'm not sure. She might do just fine in a house. She needs love and care. She has had a hard life and isn't a breeder anymore. PET only. Thanks. Cat Experience perfered. She is.
