

Experienced Service Technician for Fitness Equipment (Southern NH amp Northern M

Location **New Hampshire**
<https://www.genclassifieds.com/x-793817-z>

QR Code Link to This Post Local company seeking qualified Service Technicians for work in and around parts of NH and MA.

We prefer 2-3 years experience in the field. If not, you must be mechanically inclined and a good problem solver.

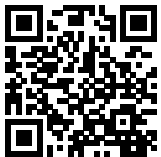

You should be a hard worker, personable, responsible, easy to talk to, take directions well and with an open mind.

You must have your own car, a valid license and clean record.

The position is part time to start, but could lead to an eventual full time position for the right individual.
