We also offer cage less boarding, making of cat shelters, light house cleaning/errand running, and dog treats.

With the profit made we are able to continue our services such as rescuing cats in the Bronx (TNR) and finding placement for them, Humane Education, helping people with low income find helpful resources such as low cost spay/neuter and food banks, and offering free grooming and photography to animal shelters and rescues.

We offer this service throughout NYC and parts of NJ, CT, & Westchester County. Please feel free to give us a call if you would like to know more.
