I have years of recording, production, and live radio experience and can help you achieve a great final product for your podcast. My rates are very reasonable and flexible depending on the project.

Here is a list of a few personalities/shows that I have worked with on radio and pre-recorded productions:

- Philip Selway (Radiohead)
- Andy Rourke (The Smiths)
- The Darkness
- Jesse Malin
- Black n Blue Takeover (pretty much every heavy hitter in NY Hardcore and beyond)
- Many more

Please send an email describing your project. Looking forward to hearing from you. I can provide samples upon.
