QR Code Link to This Post Parent Lab, inc. develops mobile applications that provide information and advice to parents. We are currently running focus groups on our most recent content and are looking for parents of children under the ages of 11 to participate!

As participants, you will be providing feedback on materials and content and will have an opportunity to be involved in our alpha testing in early 2018! Participants will be compensated with a \$50 gift card and food/ beverages will be provided! This focus group will be held in the Financial District this Wednesday, December 20th at noon.

The group should run about an hour. Thank you - we're looking forward to hearing your opinions!

Please only reply if you are a parent of children under 11 years!
