QR Code Link to This Post The generator has a drain pipe, a steam pipe, and a pressure release valve.

I am the GC on this job, we would prefer to pay for your parts only and give you \$60 for identifying/your time and getting us going, we will sweat solder and cut and do everything else.

Give me a call; 60 bucks gor you plus cost of the parts of course.

*For the pressure release valve threading is 3/4in, the pipe is 1/2in. *The steam pipe and the drain pipe is 1in pipe with the a 3/4 inch thread.

*The drain pipe is 1in and has it's own valve as in the pic.

Preferably copper for these parts.

Bring experience do not waste your own time please.

The address is below so you can see how close you are and we will be here until 3pm today.

First call, then drop off parts and I will pay \$60 for your time and we'll do the rest.

Of course you'll have to give us a quick minute to do a quick dry fit..thank you for looking.

Harthhill park ave, Las Vegas nv 89113

This gig is ideal for a plumber with everything in his truck who happens to be close in our area. You could be in and out in 20min.
