QR Code Link to This Post I have a 4 bedroom house that is only 3 years old. I have two extra bedrooms. I am willing to let a female live rent free and utilities free. The only catch is that you would help around the house with laundry, cleaning, running errands etc. You also would be a "Friends with Benefits" with me. You would take care of my "needs"

I am 41, attractive, white, clean and lots of fun to be around. Your room is already furnished with a queen bed, Satellite TV, dresser and nightstand. You would also have your own private bathroom. Again the house is fairly new and very well kept. If you would be interested please email me some information about you and a picture or two and tell me why you think you would be a good fit for this type of situation

Please be FEMALE, under age 35, clean, social drinker and non smoker. No
