QR Code Link to This Post 2007 GMC Acadia SLT All Wheel Drive in very nice shape. It has almost every option available for the model year. The SUV runs and drives great and with AWD it's a great vehicle all around for winter and pulling the boat around in the summer. It's black with the light leather interior, the two tone interior is very complimenting. It has dual sunroofs so most of the roof is glass, the back one has a power opening and closing sun shade and the front is power sliding with a sun shade as well. There's a TV in the ceiling between the two sunroofs and there are two wireless headphones to go along with it. Captains chairs in the first and second row with a bench seat in the 3rd allowing it to have 7 passengers total. It has Heated Seats along with Dual Climate Control and Bose Audio for a very nice comfortable ride. New Michelin Tires. CLEAN TITLE.
