QR Code Link to This Post 2007 Yukon XL Denali, The truck is in good running and driving condition and has a few extra add on features as well. It has 22" GM Wheels, and an Astro Start XRT Auto Start. Factory Options Listed Below. CLEAN TITLE.

Options:

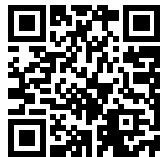

- 6.2L Vortec V8
- 6 Speed Automatic Transmission
- All Wheel Drive
- Navigation
- TV in Headrest
- Leather Seats with Heat in the Front and Rear
- Heated Steering Wheel
- Dual Climate Control
- Power Rear Liftgate
- Bose Audio
- Second Row Bucket Seats

The truck runs and drives great, and just had the rear main seal and a new oil pan replaced in it. They're common for having oil leakage from the rear main and this one has just been FIXED. It does have an air bag light on right now that needs to be reset with a GM computer. Other than that it runs and drives Excellent. If you have any questions please Call or Text Zach at ..
