QR Code Link to This Post Hi. I have been watching children since I can remember. I currently watch my friends baby a couple times a week while she goes to school. And I just love doing it.

So, I figured I would see if anyone else needed care.

I live in a beautiful city, in a great and safe area. And yes, I am a female. In my mid 30's.

I have everything already to care for an infant, because I currently already do so. (Hence also why I am asking to only care for one infant.)

Playpen, Crib, highchair, swing, bouncers, rockers...everything. Lol.

But, I was hoping to make it more of a daily gig.

I am home all day. So, if you need me earlier or later, or even overnight that's totally fine.

My home is really clean (no bugs or such). I'm a non smoker. No drugs. Pets are present. There are cats in home and a cute guinea pig, so if your child is allergic or afraid...my home and my care probably won't be suitable. ☺

No criminal record. Great personality. Very loving. Gentle and caring.

I don't mind diaper changes or formula making or such.

I'm going to be honest, I'm not sure what to offer for payments, I guess it all depends on how many days you need me and how long. I don't mind working with you, if you need it. I hope this doesn't draw folks back. But, I can give payment ideas once I know a better understanding of what you'll need. How many hours and such. And how many days.

You can pay daily or weekly.

I ask that you provide formula or breast milk or such. Also diapers and any medications or such.

I always have diapers here for my friends baby, so if they wear the same size, I don't mind using them if it saves you the hassle.

I will abide by your schedules for feeding and sleeping arrangements. As I don't want the baby to get off course. That wouldn't be good.

I don't have a drivers licence (I have a valid state ID) so I don't have a vehicle. So, drop off and pick up would be a definite must.

The city is Lakewood, which borders Cleveland and River/Fairview. I'm near Rt 2, and I-90 east and west bound.

If you have any questions or would like to set up an appointment, such as maybe I'm possibly interested in watching your child, I know you can. If you ready to email list me.

Let me know age of child, days you'll need me and times. Leave your phone number if you're okay with text or prefer calling. I have both on my phone. I won't reply to emails though, so if you're this is from me, it's due to the amount of amounts of messages I receive.

I feel free to ask any needed questions that you have. I feel comfortable and reassured that my child will be the best care in the best environment which I can provide.

I assure you this!!

Well, I'm offering my services of babysitting, my home for 247 childcare (West Side) and daycare (West Side).
