QR Code Link to This Post This home is in a good rental market so it would make a great rental if you put in \$12k-\$15k in repairs. If you would like to flip it you would need to put about \$20k-\$25k in repairs in order to get the top dollar for the sale. It needs cosmetic updates such as paint and floors. If you were to flip it you would need to update the kitchen and bathroom and brace some rafters on the roof. Please call, text or email if you have any!
