QR Code Link to This Post 2016 FORD F-150 LONG BED 4x4. FOUR WHEEL DRIVE ford f150. Six cylinder gas saver.

I am the original owner. All highway miles. We only drive the truck to our vacation home in Arizona. It has never been used for work. The reason for selling is that I am buying a 5th wheel trailer that requires a dually pickup.

The truck is in San Diego. I placed the ad in Portland because I am in the mood for a road trip.

If you would like to own a nice truck with factory warranty that is easy to park and has an eight foot bed then this is it.
\$29,500 or best offer.
