QR Code Link to This Post This fantastic location and property has a total of 7 separate cottages, with a storefront right on Highway 101 (which is currently not in use). The owners do not live on the premises and rent the units out short-term, and month-to-month. The immaculate cottages, a large parking lot with abundant parking spaces and the glorious gardens, you feel your paradise is much larger than the 0.89 acres it rests on. Listed at \$875,000.

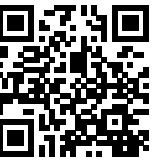

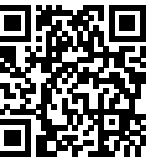

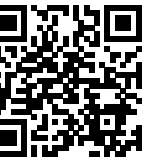

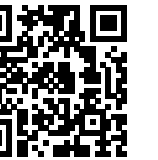

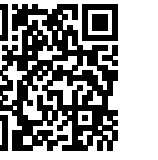

Wheeler is a tiny Oregon Coast community five minutes south of Manzanita and only an hour and a half from Portland, but feels a world away from the hustle and bustle of the city.

This Bay Front property is one of the most exquisitely maintained properties on the Oregon Coast and with a view of the Nehalem Bay at its finest.

985 Nehalem is prime location (the best property in Wheeler) and is ready to be turned into a Bed and Breakfast or small Coastal Inn to generate larger incomes, but the great thing is is that you could keep it at it's current operation and do very well for yourself. Just south of this property is a beautiful old church recently renovated into a residential dwelling.
