Description-----  
Swiss Formula  
Penetrating Vapors  
All Natural Essential Oil Formula  
Stimulate and Enhance Breathing Passages  
Soothes Tired Muscles

-----

Olbas From Switzerland

Originating in Basel, Switzerland over 100 years ago, Olbas Oil contains six essential oils -- each with its own unique value in maintaining wellness. These oils are carefully selected from traditional Swiss and French formulas to make the Olbas formula truly

beneficial to your health.

Inhalation: Olbas Oil is a completely natural essential oil formula that delivers invigorating and soothing sensations to the nasal and bronchial areas.

Massage: Applied to the body, Olbas Oil tends to stimulate circulation at the surface of the skin, and provides a comfortable feeling in the muscles and joints.

Sports: Athletes praise the values of Olbas Oil. Massaging with Olbas Oil helps loosen muscles and make them supple, while inhaling Olbas vapors may help support endurance and performance.

OLBAS

---

**Suggested Use:**

**Inhalation:** Inhaling vapors from a tissue sprinkled with 5-10 drops of Olbas Oil quickly stimulates and enhances the breathing passages; or tuck the tissue inside a pillowcase at night. Add 20 drops of Olbas Oil to a bowl of hot water, place a towel over the and breathe vapors in deeply for 5 to 10 minutes.

**Massage:** Apply Olbas Oil generously and gently massage the body. Stimulates surface circulation and delivers comfort to tired muscles and joints.

**Head:** Massage a drop or two directly on the forehead and temples (Avoid contact with eyes).

**Sore, aching feet:** Massage directly on feet or add 25-50 drops of Olbas Oil to a dishpan of hot or cold water and soak feet for 10-15 minutes.

**Compress:** Add 10-20 drops of Olbas Oil to a bowl of hot or cold water. Submerge a cloth in the water, wring it out and place it on the desired area. Hot compresses feel soothing for aching bodies; cold compresses feel refreshing on the forehead.

**Contains:** Essential oils of peppermint, eucalyptus, cajeput, wintergreen, juniper and.
