Suggested Use:

Inhalation: Inhaling vapors from a tissue sprinkled with 5-10 drops of Olbas Oil quickly stimulates and enhances the breathing passages; or tuck the tissue inside a pillowcase at night. Add 20 drops of Olbas Oil to a bowl of hot water, place a towel over the and breathe vapors in deeply for 5 to 10 minutes.

Massage: Apply Olbas Oil generously and gently massage the body. Stimulates surface circulation and delivers comfort to tired muscles and joints.

Head: Massage a drop or two directly on the forehead and temples (Avoid contact with eyes).

Sore, aching feet: Massage directly on feet or add 25-50 drops of Olbas Oil to a dishpan of hot or cold water and soak feet for 10-15 minutes.

Compress: Add 10-20 drops of Olbas Oil to a bowl of hot or cold water. Submerse a cloth in the water, wring it out and place it on the desired area. Hot compresses feel soothing for aching bodies; cold compresses feel refreshing on the forehead.

Contains: Essential oils of peppermint, eucalyptus, cajeput, wintergreen, juniper and.
