Haeger Pottery:
 In 1871, David H. Haeger began Haeger Pottery in Dundee Illinois.

1871 was the year of the Great Chicago Fire and Haeger was, in some way, a part of the restoration process by shipping bricks for rebuilding the city.

Edmond H. Haeger took over where David H. left off in 1900 but brought new vision to the firm and in 1914, the firm started producing artware pottery.

During Royal Haeger's "nickname" era, all designs from 1930's could be used for the firm or the firm from 1930's to 1950's. Royal Haeger Pottery was the "Royal Haeger Pottery" firm in 1930's (in memory of his great-grandfather).

This century of firm has always been blessed with family throughout its history and continues to make art and utilitarian pottery today!
