All are in excellent, new with tags or like new condition great for your little one or even gift giving (no play clothes or cheap brands). I only save from my kids what the very picky boutique resale shops will take which is where they go if not sold privately first.

sizes vary from 18m to 5T both clothing and shoes both for boys and girls

Winter and Summer clothing to check out! Very good prices (\$2-\$5 clothes) and better if bulk of items purchased. Make me an offer for all and get crazy price!
