Classic concert shirt with the black 3/4 sleeves

In Phenomenal Shape ...Clean.
For some reason the tag is cut off (odd because I never wore it)
I'd guesstimate it would fit an Adult Medium

A couple small "rust" like spots from being in a drawer for 30 plus years!
(Shown in one pictureit's on back of shirt up near collar)

This is an original shirt purchased during Van Halen's 1984 Tour of the World...
I purchased it myself at the show at The Spectrum in Philadelphia, Pa.

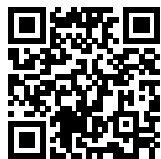

Grab this piece of unique VH history.

I just never felt inclined to wear this style of shirt with the longer
