Plus, no health insurance is needed!

About Acurian:

Acurian is a company that is looking for people for local research studies who are currently dealing with a medical condition and individuals who are willing to participate in local research studies for your condition. In a clinical research study, the participants may receive investigational study product or may receive a placebo, depending on the study design. Participants receive study-related care from a doctor/research team for the duration of the study. Reasonable payments will be made for participation and the length of the study may.
