QR Code Link to This Post Established Original hard rock/metal band out of Portland is searching for lead guitarist and keys player.

Male or Female 21+ most of the band is in upper 30s to early 40s

Lead Guitarist: Be able to play melodic slow and shredding fast solos, we want diversity. All your solos should not sound the same. able to share the spot light with keyboard solos. Original writing encouraged. Backing vocals encouraged.

Keyboards: Be able to play melodic backing synth as well as piano and key solos to share with lead guitar solos. Original writing and backing vocals are encouraged. Both must be open to joint collaboration and ideas.

We are not a symphonic metal band, like Nightwish or Symphony X, but we are a melodic hard rock metal band and a lot of influence comes from 70s rock like Deep Purple, Black Sabbath, and Rainbow, and 80's rock/metal bands like Dio, Iron Maiden, and Savatage.

A couple of links to live recordings: We are currently recording our debut CD but we have clean recordings if you are interested.
