QR Code Link to This Post Chihuahua mix 18 months old to good home. I had to bribe a friend \$150 to take the poor dog out of their neglectful home. She was skinny and covered in poop and in a crate 24/7. I have nursed her back to health she is now at a health weight and has been puppy pad trained. I also got rid of the worms and fleas. She will need her shots still. Rehoming fee is \$150 I'm only asking what I paid. She's great with kids and loves to be a lap dog. If she could she cuddle all day. I want her to go to a good home where she will not be in a crate.

Thank
