QR Code Link to This Post We are looking for candidates who are willing to go out and take quality photographs of our assigned residential properties. As our hired photographer, you will be an independent contractor.

We are looking for field reps that are professional and punctual. The ideal candidate needs to have access to a professional camera (or you can use your smartphone camera), internet and reliable vehicle to get to your assignments.

Check us out at www.Network-Asset.com! Look under our services tab to see the services we provide.
We look forward to hearing from!
