QR Code Link to This Post We are a small construction company looking to hire canvassers. Felonies and other criminal backgrounds are ok, and yes we do hire people with criminal backgrounds.

All you have to do to get hired and to get the job is fill out our online job application then we text you an interview time and date and you can start working the next day.

Texts work the best, after you send us a text we will text you the website where you can apply online, but you can call between 9-5 Monday thru Friday.

If you want the job, you will send a text, then once you receive our text with our web address, you can fill out the application and be set with an interview. Thank.
