About Mel have been a dog lover and owner my entire life and will pamper your sweet pup while you are out of town or need someone to check on them during the day! I work from home, so your dog will receive lots of attention, walks, playtime, potty breaks and love. I also live three blocks away from a dog park, if your dog enjoys running around with new friends! If wanted, I will send you photo and video updates each day so you can see what a great time your dog is having. My fur baby, Harriet, is a two year old labradoodle and LOVES to have guests. Dogs are allowed on all furniture and can sleep wherever they would like in my home. (With your permission, of course.) I am experienced in administering medicine, as my own dog receives daily medication. Harriet and I would love to host your lovely dog and look forward to meeting you!
