QR Code Link to This Post Looking for last-minute holiday cash and a fun, easy gig? Christmas and New Year's are almost here, and we need help with our themed holiday parties!

*** These are NOT stripping gigs (no nudity). ***

No experience necessary. Please be good with people and comfortable in heels and holiday attire as required for our theme. This is great for students, but we welcome candidates in their 30's and 40's too!

We have a second paying gig for anyone with a good base of local friends/contacts who can help us find a few reliable women for our parties.

Please put CHRISTMAS/HEELS in the subject line of your reply, tell us why you're interested, and we'll get back to you with details.

Happy!
