QR Code Link to This Post **LOOKING FOR LEGIT ROOFING COMPANIES RIGHT NOW!** If this is you and you have insurance reach out today!

We are a General Remodeling Company looking to expand our network of Trade Professionals. We service all of Southeastern WI. We conduct our bidding process online where our Trade Professionals have the option to view the project and submit a bid if interested. Once all of the bids for that portion of that project have been completed we will review the scope of work and select the contractor. Once you have been selected you will be prompted to the calendar for scheduling. We are looking for contractors that can keep consistent communication - meaning, once we schedule a job with you, answer your phone to confirm or deny the schedule. We have homeowners to communicate with so please be courteous.

We are very versatile and are looking for:

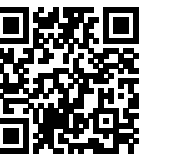

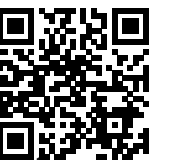

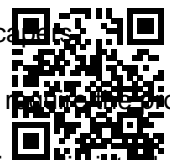

- Roofing Crews
- Siding and Gutters
- Framers
- Masons
- Drywall Contractors
- Finish Trim/ Carpentry
- Tile and Stone Contractors
- Plumbers
- Electricians

HVAC

Handscaping

We do not have proper insurance coverage for our business. We are a private company.

There is no limit to the number of quality trade professionals we are looking to work with. We have multiple projects going at the same time so there are many opportunities for work! If this is of any interest, you reach.
