 QR Code Link to This Post KD Branding is a creative agency specializing in logo design.

-2-3 initial concepts
-Will continue to refine the design with your input until you have the design you love
-Vector files and all associated files (jpg, pdf, png...) will be provided after finalizing the design
-All custom artwork
-All professional fonts / typefaces

To get started:
All I need is your business or product information. Any additional input you have about the design is helpful (images, description, etc...) but it's not required.

Contact me with questions or for a quote, I will usually respond within hours: Kdbranding.com
