QR Code Link to This Post Ed Everett, owner of Olde Oak Construction is a master carpenter with over 25 years' experience. Our specialties include, but are not limited to: Full kitchen and bath remodels, all aspects of framing including decks and screened porches, finish carpentry, drywall repair, siding, replacing windows and doors, tile installation, demolition, foundations, fences, and much more.

We also do punch lists for real estate closings / home inspection repairs.

We work within your schedule and are sensitive to deadlines.

Olde Oak Construction takes pride in doing high quality work at reasonable prices, no job is too small and we give free estimates.

From foundation to finish, we've got you covered! Licensed and insured.

In appreciation of our military members and veterans, we now offer a 5% discount.

Check us out on Facebook: www.facebook.com
